Garland, Jay 11:51 AM:

You going to make the AWG call this afternoon?

Morgan, Ardra 11:52 AM:

yep.. I'll be there.

Morgan, Ardra 11:53 AM:

## Ex. 6 - Personal Privacy

Morgan, Ardra 11:53 AM:

Im still workikng on setting up care pools

Garland, Jay 11:54 AM:

Forwarded the invite to Mike, and he will be prepared to discuss the contact with new

Garland, Jay 11:55 AM:

vendors. And you can discuss your GSA info-sharing with Ed. Anything else?

Morgan, Ardra 11:55 AM:

Just that I sent (resent) the NDA and MTA to ed, yehuda and Zach

Garland, Jay 11:56 AM:

And yes your planned schedule is fine. And care pools are an excellent idea.

Morgan, Ardra 11:57 AM:

yea.. it's going to be a must. I may end up changing my schedule back to straight 8s... although its nice having the one extra day off every 2 weeks

Morgan, Ardra 11:58 AM:

but getting home that late every evening may not be feasible. we'll see how this week goes

Morgan, Ardra 11:58 AM:

wish they were a little more flexible here in RTP with their schedules

Garland, Jay 11:59 AM:

No I meant the concept of care pools. Im still trying to wrap my head around that....maybe its how Ill market the Fla house.

Garland, Jay 12:02 PM:

But, obviously, do what you need to. And I'm flexible with regards to how/when you get the extra 8 hours in over 2 weeks...what are the RTP limits?

Morgan, Ardra 12:04 PM:

I'll have to look them up to be sure but I know you cant work a partial day home as part of a regular schedule. You cant have varying start and end times within a pay period, you cant accumulate credit hours

Morgan, Ardra 12:06 PM:

thanks for being flexible. I'll work it out after this first week or so.

Morgan, Ardra 1:08 PM:

So Jay -

Morgan, Ardra 1:08 PM:

if WaterGen gets on the GSA schedule... do they need us (ORD) for anything?

Morgan, Ardra 1:10 PM:

Im a little bit concerned about WaterGen backing out of all the CRADA related work and we are on the hook to work with just these two other companies..

Garland, Jay 1:10 PM:

So Ardra

Garland, Jay 1:11 PM:

Anything recent (beyond the GSA talk itself) that makes you think they will back out of the CRADA?

Morgan, Ardra 1:12 PM:

mmmm.. yes.

Morgan, Ardra 1:17 PM:

1. Their emphasis on the "approval" angle during the meeting. 2. theyre rush to get things going, meet

and deliver a system (more like checking a box than collaborative research 3. their emphasis on meeting with the AO 4. they've not returned an email or responded (that I know of) to the requests for reviews of draft CRADA, MTA, NDA.

Morgan, Ardra 1:17 PM:

all in context.

Garland, Jay 1:18 PM:

AO 4?

Morgan, Ardra 1:18 PM:

AO = Administrator's Office

Morgan, Ardra 1:19 PM:

"4." was just me numbering the other things that make me think they'll back out

Garland, Jay 1:19 PM:

4th floor? Sorry, I don't have the HQ insight you have

Garland, Jay 1:21 PM:

Do you have time to check in before the 330? I'm just trying to send out my TQB panel reports to Renee and then I'm available.

Morgan, Ardra 1:21 PM:

good for you!!!!

Morgan, Ardra 1:21 PM:

yes. anytime. I have a short list for you
